Did you know that…..

- You can call 423-921-2465 or 423-272-3301 to report illegal dumping
- We only accept solid waste that is generated in Hawkins County
- We do not accept solid waste from businesses
- We do not accept liquids (other than motor oil and transmission fluids)
- We do not accept hazardous waste
- We do not accept medical waste
- We do not accept animal carcasses
- We do not accept grass and brush
- Items not accepted by the convenience centers can be taken to the BFI Landfill located on Carters Valley Road. Telephone 423-357-6777.

Where do I take my Recyclables?

Take your recyclables to the convenience center in your community or to the Recycle Center.

Do You Accept Tires?

When you purchase new tires you pay the dealer a disposal fee. Leave your old tires with the dealer. If you are responsible for disposal of the tires, they MUST be off the rim. You may bring 8 tires per year with no cost to you. Anything over 8 tires a year costs you 70¢ each for car and pickup truck tires and \$3.50 for tractor trailer tires. You are required to check with the attendant before leaving tires. We need your name, address, telephone number, and the number and size of the tires.

You are responsible for “stacking” tires inside a tractor trailer. Employees do not unload or stack tires for you, so you may need to bring someone to help you.

Tire dealers MUST have State Tire Manifest Paperwork and Tire Tax Number form the State of Tennessee. This number

is different from your business Tax Identification Number. You must have this information each time you bring tires. We must have an exact count of tires according to size. Make checks payable to Hawkins County Solid Waste.

Can I just sit my trash on the outside if the gate is locked and the centers are closed?

No. That is a violation of the State Litter Law and results in a \$500 fine and several days of picking up litter from the highways.

Will someone unload my trash for me?

No, the attendants are there to show you where to put your trash, not to unload your vehicle, so please ask them where to put it.

Convenience Center Locations:

All locations take the following recyclables:

Vehicle batteries, scrap aluminum, aluminum drink cans, aluminum cat and dog food cans, plastic milk jugs, plastic soft drink bottles, newspapers, magazines, corrugated cardboard, used motor oil & transmission fluids, air conditioners, white goods such as stoves and refrigerators (compressor must be removed), water heaters, electric heaters, and most heavy metals.

Tires can be recycled at the Carter's Valley Convenience Center and the Recycle Center.
